

The Jewish Care Program is dedicated to the well-being of our most vulnerable community members, moving them from isolation to connection.

Senior Adult Services

Holocaust Survivor Care

Consistent with our community's obligation to provide Holocaust survivors in New Mexico with a caring support system, JCP provides a dedicated case worker to assist Holocaust survivors with coordination of care and services within the community, advocate for restitution funds from Germany, and actively seek to improve an individual's quality of life. With funding from the Claims Conference, we hold regular social gatherings for Holocaust survivors to connect with one another.

Senior Outreach Services

JCP enhances the lives of seniors and helps older adults by providing comprehensive support to them and their loved ones. We conduct home visits as appropriate, facilitate access to supportive services, and help maintain a connection with the Jewish community for those who are isolated.

Visits to Jewish Seniors

JCP staff and volunteers visit Jewish seniors living in facilities and in their homes. These visits bring joy and regular connection.

Holiday Outreach Baskets

In an effort to extend our outreach to Jewish seniors, JCP brings baskets for Passover, Rosh Hashanah, and Chanukah to isolated seniors and Holocaust survivors. With funding from Jewish Community Foundation of New Mexico and in partnership with local synagogues and community volunteers, we put together and deliver baskets to dozens of Jewish seniors.

If you or someone you know is in need of JCP's services, please contact us:

Erin Tarica, LMSW, Director, at (505) 348-4451

Jen Dennis, Senior Services Manager, at (505) 348-4443

Ya'el Chaikind, MPH, MA, LMHC, Social Services Manager in Santa Fe, at (505) 303-3552

Rabbi Art Flicker, Community Chaplain, at (505) 400-7966

Thank you for your help with my rent. I appreciate this help more than I can say. Thank you.

Both people I delivered to were overjoyed and very touched by the Jewish community's caring. I don't think one of the women in a facility gets many visitors and she cried with joy when I told her why I was there. I intend to visit her again.

Information and Assistance

Resource and Referral

JCP fields requests to provide information and connect families and individuals in need to local social service organizations for support on a variety of issues such as senior housing, caregiving, religious life, transportation, health and medical needs, and housing and food assistance.

Emergency Assistance

With funds from Jewish Federation of New Mexico and Jewish Community Foundation of New Mexico, JCP provides one-time allocations to Jewish individuals and families in various crisis situations, including utility, rental, and burial assistance.

Emotional & Spiritual Support

Community Chaplain

The Community Chaplain delivers pastoral care to unaffiliated individuals and families in the community and aims to ensure that religious and spiritual needs are met.

Support Groups

JCP facilitates weekly support groups including the Caregiver Support Group and Grief and Loss Support Group, and a monthly support group for those caring for individuals with Alzheimer's and Dementia. These groups provide a supportive atmosphere where individuals are able to share their experiences.

This is the most difficult thing that I've ever had to face and this group has given me comfort.
